Palm Sunday is the final Sunday of
Lent, the beginning of Holy Week,
and commemorates the triumphant
arrival of Christ in Jerusalem. Palm
branches are widely recognized
symbol of peace and victory. People
threw palms in front of him as a
sign of homage. The donkey
represents the humble arrival of
someone in peace.

Encounter Christyan

Christyan DhathCroos is from a farming village in Sri Lanka, but he spent half of his life in India. He and his family fled there during Sri Lanka's civil war. He was only 14 years old when they left. When he returned to his homeland 16 years later, Christyan was 30, and the family farm was in shambles. He and his father found their fields covered in trees and filled with rocks. Now with a wife and family to provide for, Christyan needed help.

For a refugee, returning home after so many years can be challenging. That's why CRS is helping Christyan and others like him rebuild their lives. That means helping to clear overgrown sections of farmland and ensuring those farms have access to water. Christyan is now growing rice, pumpkin and peanuts. Because of the assistance from CRS, Christyan can give his family things he never had.

Things like education. Because his family was always fleeing violence during the war, Christyan never completed school. "I want to make sure my three children are educated," he says. "That's my dream. No one in our family has finished their education, but I know my children will."

Christyan's dream is coming true. With the profits from the family's farm, Christyan can send his 4-year-old son, Godwin, to a private Catholic preschool. It's worth the money to Christyan to help Godwin achieve his dream of becoming a scientist. And there are no doubts from Godwin's parents or the Sister who runs Godwin's school that he will achieve his dream.

Christyan isn't just teaching his family that they can achieve their dreams with the help of a good education—he's also making sure they understand the importance of helping others. "When we had nothing, CRS came and helped us, and now we have what we need. We should help others too."

Missionaries of HOPE through the Emmaus Program

Every day, parishioners answer Jesus' call to serve others. Through the Emmaus Program they learn how to share God's mercy and hope.

Kyle Holewinski uses the knowledge he gained through the Emmaus program in his professional life as a chaplain in the jail and in his parish life as a religious educator. Gifts to the Bishop's Appeal help people like Kyle inspire disciples.

Missionaries of HOPE through Catholic educators

Did you know that within our Diocese, more than 25,000 children participate in Catholic schools or faith formation classes?

Through different education programs, children learn to know and love Jesus.

Your gift to the Bishop's Appeal provides training and support for Catholic educators. Help them inspire disciples in our schools.
