CRS RICE BOWL Encounter Annet

Annet's youngest sister calls her Mom—and for good reason. Since their parents' deaths 4 years ago, 16-year-old Annet has been caring for her three siblings: Gladys, 6, Irene, 8 and Emmanuel, 10.

It hasn't been easy. Ongoing violence in their home country, South Sudan, forced Annet to take her siblings and flee south to neighboring Uganda. It was a dangerous journey, but Annet kept them safe despite threats from rebel soldiers.

For more than 2 years now, Annet and her siblings have been living in Bidi Bidi, one of the world's largest refugee settlements. Formed in 2015, Bidi Bidi is home to nearly 300,000 people—many South Sudanese who, like Annet, fled for their lives to Uganda.

While Annet is happy to be away from the violence, life in Bidi Bidi is hard—especially for a young woman trying to raise her siblings. That's why CRS is building houses for families like Annet's. A place to call home means Annet can rest a little easier at night knowing her family is safe.

But that's not all. CRS is also helping people like Annet learn to farm and is giving them the tools, they need to succeed. Annet was given her own plot of land to plant on so she will be able to continue providing for her siblings.

For her, that's the most important thing. While she wants her family to return to South Sudan one day, for now she knows that Bidi Bidi is the safer option. In the meantime, she encourages her siblings to go to school and does all she can to ensure they'll have a bright future.

"My hope is to raise my siblings," she says. "And I know I can do it with the help of CRS and my Catholic faith."

"God shines forth" Psalm 50:2
