Part V — Rediscovering the Power and Beauty of the Mass
Praying the Mass

As with all things in life, the best things are the simplest and the most obvious. They are often so obvious that we miss them entirely! The treasure of renewal of the Church is already right in our midst. We do not have to invent something new or add more trappings to the Mass. We need to celebrate the Mass of the Lord's Supper with greater awareness and presence of mind and heart. We need to bring our very best to this re-entry every time we celebrate the Paschal Mystery; which means a re-entry into the passion, death and resurrection of Jesus Christ, the Son of God, the Word through whom all of creation of the universe and all of its parts have been established, the Word become flesh. The Eucharist is bread that is flesh and flesh that is GOD. Now that is a mysterium tremendum, a tremendous mystery, that is at once highly attractive and at the same time earth shattering and very terrifying!

The way into living and celebrating the Mass well is to enter each Mass with greater presence of mind and heart to the words that we are saying or are being recited publicly and the actions that we are engaging in at the present moment. In other words, as much as possible, we need to pay attention to what is going on at every moment and become absorbed in the flow of the Sacred Liturgy by being truly present to the presence of God in each and every word and action. We can do this with calm and prayerful attention to what is unfolding. In this simple, present moment exercise of attention, we can begin to notice the presence of the Holy Spirit as he vivifies the sacred words and actions in which we are so humbly engaged — moment by moment, word by word, action by action. Whether as priest celebrant, newly initiated Catholic in the pew or a veteran of Mass attendance for a whole lifetime, it is never too late or too early to enter into the beauty of the Mass.

Parish Update!

Our parishes will be conducting an Outreach Parishioner Census in the coming weeks. There is a kick-off meeting October 11 (4pm at St. Margaret and 6pm at St. Anthony) for parish council members and any interested parishioners. Our first priority in doing so is to let our existing and former parishioners know we are here, we care, advise them on leadership and staff changes, and just check-in and touch-base. Secondary, this is also an opportunity to learn more about their desire for a relationship with our parish. Ultimately, this will be helpful both for the parishioners and us as we move forward in planning for our future!

American Martyrs Church in Kingsford will be having their Annual Fall Festival on Sunday, October 15th in their Parish Hall. They will be featuring their Famous Chicken Dinner with all the trimmings. Dinner will be served 11:00 am to 1:00 pm and again from 4:00 to 6:00 pm. The cost of the dinner will be adults \$10.00, Children 6-12 \$5.00 and children under 5 are free. There will be craft items, baked goods, and themed baskets for sale. There will also be raffle items. So please join us for the festival in celebration of Fall.

	<p>“The primary goal in the education of children is to teach, and to give the example of, a virtuous life.” ~ St. John Chrysostom</p>	

The holy Rosary is a prayer in which we meditate on the life of Jesus. Because of the mission that Mary received from God, her life was closely tied to Jesus. Mary’s Immaculate Heart was always focused on the life of her son Jesus. When we pray the Rosary, we are asking Mary to pray for us that we might be more focused on the life of Jesus.
