October Devotion: The Rosary

“The Rosary is a long chain that links heaven and earth. One end of it is in our hands and the other end is in the hands of the Holy Virgin...The Rosary prayer rises like incense to the feet of the Almighty. Mary responds at once like a beneficial dew, bringing new life to human hearts.”

Council's Corner:

- Thank you, Fr. Felix, for providing the beautiful banner advertising the First Saturday devotion.
- November 4th is our next First Saturday. We begin at 8am with Adoration, we pray the rosary, have confessions, and then start Mass at 9:00am. This devotion was requested by our Lady to the Fatima children as she told them: "See, my daughter, My Heart surrounded with thorns with which ingrates pierce me at every moment with blasphemies and ingratitude. You, at least, make sure to console me and announce that all those who for five months, on the first Saturdays, go to confession, receive Communion, say five decades of the Rosary and keep me company for 15 minutes meditating on the mysteries of the Rosary, with the purpose of making reparation to Me, I promise to assist them at the hour of death with all the graces necessary for the salvation of their souls." Our Lady, December 10, 1925

Part VI – “Five Alive” Practices To Live the Mass

#2 Lectio Divina

Lectio divina is a Latin word, which means “divine reading” or more often translated as “spiritual reading,” and describes a way of reading the Scriptures where we gradually let go of our own agenda and open ourselves to what God wants to say to us. Scripture offers first-hand access to the word of God and tells the story of human salvation. Catholics can pray the Scriptures through a method known as lectio divina to become more attuned to the word of God. Also, make prayers of spiritual communion when you can. Here’s a short, traditional one: I wish, my Lord, to receive you, with the purity, humility, and devotion with which your most holy mother received you, with the spirit and fervor of the saints.

A key means to reinvigorate the life of our parishes, our communities and our own prayer lives is this ancient practice of lectio divina. In “Evangelii Gaudium,” paragraph 264, Pope Francis reminds us that “the best incentive for sharing the Gospel comes from contemplating it with love, lingering over its pages and reading it with the heart. If we approach it in this way, its beauty will amaze and constantly excite us. But if this is to come about, we need to recover a contemplative spirit which can help us to realize ever anew that we have been entrusted with a treasure which makes us more human and helps us to lead a new life. There is nothing more precious which we can give to others.” (Excerpts from pg. 35)
